1. Class of 1988 Board: President/Vice President/Treasure/Secretary and any other positions we deem necessary.
2. Class of 1988 Bank Account: Dino and I can open up an account, but I really want about 5 people on the account to guarantee that it's very transparent. Oh and yes I will get the donation money from Heidi to put into the account as well.
3. Class of 88 Luau Committee: Doesn't hurt to start thinking about this and what positions we would need to be filled. Obviously we need a Luau Chair, but we also need food, pupu, beer, serving, etc.
4. Potluck for class of 85 on Thursday: We already have someone making baked spaghetti. Do we want a themed dinner or just a full on potluck. We are cooking for 50 people. I can make a sign-up genius once you all decide which way you are leaning.
5. Dishwashing at Luau: We have 24 classmates signed up for dishwashing and 1 signed up for serving. Since dishwashing is our kuleana, I really want everyone to work dishwashing first. Then if there is too many people dishwashing we can have some go up and serve. I heard it's tons of fun when done as a group. Especially if we remember to bring some music. Heck, our class can have fun anywhere right?
6. Relay for Life: Are we going to do it this year? Are we going to rally a bigger group?
7. Website: As of now it is still on my domain. Do we want to buy our own name?
8. Fundraising Ideas: share ideas and volunteer to take the lead.
 - a. Golf Tournament
 - b. Zippy's Chili – Lance
 - c. Concert / Luau
 - d. Fishing Tournament – Kirk Kamanu could take the lead on this
 - e. Lemonade Jars – Sell jars of Country Time Lemonade with fruit at Swap Meet and Markets. Daughter's soccer team made lots of money with no real effort
 - f. Raffle – Online Raffle might be doable
